

Yiayias brings you the native cuisine of Cyprus – the historic meeting place between Europe and Asia. The dishes, though predominantly Greek, have Ottoman and Arabic influences, and it is these which give the food its unique blend. All dishes are prepared by Yiayias using only fresh produce. All of our meat and fish are sourced directly from Smithfield and Billingsgate markets in London. For the best flavours we only cook on real charcoal.

## Yiayias Meze

Meze is a selection of small dishes perfect for sharing and ideal for tasting our authentic cuisine. At Yiayias you can eat as much or as little as you want by making your own meze from the choices below or choosing one of Yiayias set meze. If you have any questions on the best way to enjoy our tasty meze, please ask a Yiayias team member.
