

Yiayiás brings you the native cuisine of Cyprus – the historic meeting place between Europe and Asia. The dishes, though predominantly Greek, have Ottoman and Arabic influences which give the food its unique flavour. All dishes are prepared by Yiayiás using fresh produce. All of our meat and fish are sourced directly from Smithfield and Billingsgate markets in London daily. For the best flavours we only cook on real charcoal.

### Cold Dips

All dips are served with a hot pitta bread <sup>CG</sup>
