KITCHEN

Our Story

Yiayias Kitchen (Grandmas Kitchen) is a celebration of honest cooking, fresh ingredients, and recipes shaped by generations.

Yiayias Kitchen was born from Pavlos childhood summers spent in the kitchen of his Yiayia Theodora, in the village of Trimithousa near Paphos. Her kitchen was alive with the scent of herbs picked that morning, dough mixed by hand, vegetables chopped at the table, and meals prepared slowly, with care and purpose.

The Cypriot climate, the culture of the village, and the respect for fresh local produce defined everything she cooked. Nothing was rushed. Nothing was wasted. Everything was prepared on site, by hand, and always shared around the table with family and love. Those summers shaped not just Pavlos' palate, but his understanding of what food should be.

Today, Yiayia's Kitchen proudly carries that legacy forward. Every dish served is rooted in tradition, made using fresh ingredients, prepared daily in their kitchen, hand-prepped, cooked with patience, and finished with care. This is food the way it was meant to be: simple, seasonal, and full of soul.

The Cypriot and Greek menu is naturally versatile, allowing for all dietary preferences without compromise. Whether you're joining Yiayias Kitchen for a quick bite or a long meal shared with friends, you'll taste food that is more than just a plate. It's a story, a memory, and an invitation. It isn't just a restaurant, it's a working kitchen, a family table, and a place where strangers leave as friends.

We look forward to welcoming you and sharing a piece of our kitchen with you.
